Dear Sir:

Enclosed please find a certified money order in the amount of \$445.00 U.S. funds. This is for patent application #09/170,234.

Our records show this as being paid with the original patent application received by you on August 30th, 1998. We had further conversation with you by registered mail on December 16th, 1998, thinking that your request for funds was in addition to our original payment and that we had mislabeled our original filing stating I am a small entity and an independent inventor. Anyway, I trust that this payment will speed up my application. If I find my original payment slip which quite possibly may not have been attached to the original filing, I will notify you. Thank you.

Yours truly,

John G. Shaw.
